Bicycle officers need to ride whenever and wherever they are needed. Proper training is essential to an officer's on-the-job performance and safety. It is also critical in reducing liability. The PC course provides bicycle officers with the skills they need to effectively serve their communities.

The course is divided into eleven units:

- Bike Handling & Vehicular Cycling
- Bike Fit
- Group Riding
- Hazard Recognition & Common Crashes
- Obstacle Clearing & Riding Techniques
- Patrol Procedures
- Nighttime Patrol
- Community Policing
- Basic Maintenance
- Legal Issues & Traffic Laws
- Fitness & Nutrition.

This demanding class involves over 20 hours of on-bike time to develop and improve riding skills.
